What is AVX?

AVX is a regional AV integration, broadcast, audio and videography show that gives you the opportunity to accomplish 3 important missions in a 2 day span:

AVX connects you and your staff to the latest technology, certifications and learning.

AVX connects ideas, equipment and experience.

AVX connects AV integration, broadcast and videography professionals in a format that's an affordable option to the big nationals.

AVX is the largest event of its kind in the West Central United States. AVX is intimate and well managed. We help you to maximize your time in Colorado, thereby giving you the best chance at making those vital **connections**.
